analyzing data and managing my portfolio.

## PROFILE

- Excellent interpersonal skills, Team player, curious with a passion to learn new skills.

## EMPLOYMENT HISTORY

### QA of HW & SW at RailVision, Ra'anana

June 2022 — Present

As a QA team member, I specialize in testing intricate systems, both hardware and software, covering tasks such as test creation and bug reporting. Additionally, I utilize Python to automate testing processes, leading to a substantial reduction in testing time, contributing to an innovative and efficient testing environment.

### Validation at Railvision, Ra'anana

November 2021 — June 2022

As a member of the validation team, I conducted performance testing of the algorithm. My responsibilities included generating reports and statistics to provide a clearer insight into the algorithm's status. This involved data analysis and presentation, contributing to the continuous improvement and optimization of the algorithmic processes.

### Annotator & After Effects Composer at RailVision, Ra'anana

December 2017 — November 2021

Making integration and modification of After Effects for the annotation process. Played a key role in mentoring new team members. Additionally, I developed scripts and tools utilizing JavaScript to optimize processes within After Effects, contributing to increased efficiency and innovation.

### After Effects composer & Graphic Design at Freelance

2016 — 2017

Proficient in the development of impactful corporate videos, specializing in the creation of compelling commercial and promotional content. Demonstrated expertise extends to strategic branding initiatives and innovative logo design, contributing to the establishment of a distinctive and memorable brand identity.

### Computer Assistant at WIZO Haifa Academy of Design and Education, Haifa

2015 — 2016

Providing guidance and support to students with Adobe's software.

## EDUCATION

### B.Ed.Des, WIZO Haifa Academy of Design and Education, Haifa

October 2012 — August 2016

### Full matriculation, "Ha'rishonim" High school, Herzliyya

2004 — 2007

Major in physics and literature
